

## Ellington Financial Announces Common Stock Authorization

May 22, 2023

OLD GREENWICH, Conn.--(BUSINESS WIRE)--May 22, 2023-- Ellington Financial Inc. (NYSE: EFC) (the "Company") today announced that at its annual meeting of stockholders held on Tuesday May 16, 2023, its stockholders voted to adopt an amendment to its Certificate of Incorporation (its "Charter") to increase the authorized number of shares of its common stock from 100,000,000 to 200,000,000 shares, with a corresponding increase in the total authorized number of shares from 200,000,000 to 300,000,000 shares (the "Share Increase").

The Company has filed with the Secretary of State of the State of Delaware an amendment to its Charter to effect the Share Increase, which together with the stockholders' approval of the Share Increase, satisfied the Common Stock Authorization as defined in the certificate of designations (the "Certificate of Designations") of the Company's 8.625% Series C Fixed-Rate Reset Cumulative Redeemable Preferred Stock (the "Series C Preferred Stock"). The Common Stock Authorization was finalized on May 17, 2023.

In addition, the Company announced that its Board of Directors has passed a resolution reserving the shares of common stock that may be issuable upon a full exercise by the holders of Series C Preferred Stock of their conversion rights pursuant to Section 7 of the Certificate of Designations, up to the Exchange Cap (as defined in the Certificate of Designations). As such, the conversion rights of holders of the Series C Preferred Stock described in the Certificate of Designations are no longer contingent on the Common Stock Authorization.
